# GREECE | ADVANTAGES

- According to national reports and the Greek economy performance indicators, Greece has begun to completely emerged from its 7 years economic crisis.
- The real estate market is already showing a strong recovery by an increase of 30% in housing prices during the last 3 years.
- The forecast for the next 5 years, is that the market will continue to strengthen and real estate prices will return to its 2007 pricing level.
- Improvement of macro-economic situation while complying with economic criteria and requirements set by the European Union, leads to a reduction in the risk attributed to the Greek economy and to a growing expectation for a continuance economic recovery in the coming years.
- The economic crisis and Greece's recession opened up a prime opportunity for investment.

# GREECE | ADVANTAGES

- The leading sector in Greek economy is tourism, that even during the recent crisis, the tourist industry in Greece has been one of the mainstays of economic growth and employment.
- In 2018 the number of tourists visiting the country reached about 32M, YTY growth rate of 23% compared to 2017. Furthermore, between 2006-2017 the tourists population in Greece almost doubled itself.
- The steady increase in the number of tourists visiting Greece each year is also attributed to geopolitical problems in competing markets as Turkey and Egypt.
- Tourism population is expected to reach 50 million visitors in 2028.
- The Greece government is encouraging investments in the country as a strategic step for growth in the Greek economy, establishing a very convenient position for real estate investments.
- A purchase of a property in Greece that is valued more than 250 thousand euros, provide the buyer an entitlement to the Golden Visa - a five-year citizenship in Greece which attracts wealthy investors from all around the world + the Golden Visa provides free education.

## Greek house prices are rising again, as economy continues to recover

LALAIN C. DELMENDO | February 02, 2019

After seven years of falling house prices, things are turning around, thanks to improving economic conditions.

In Greece's **urban areas**, house prices rose by 2.51% during the year to Q3 2018, the highest annual increase in house prices since Q1 2008, according to the [Bank of Greece](#).

When adjusted for inflation, house prices increased 1.53%. Quarter-on-quarter, house prices in urban areas were up 1.2% in Q3 2018

## Strong Signs of the strengthening of the Greek economy and recovery from the crisis

# LEFKADA

Lefkada, is considered to the most beautiful island in Greece. Breathtaking views, paradise beaches, turquoise seawater and rocky cliffs, 2 of the most beautiful beaches in Europe are located in the western part of the island. About one million tourists a year are visit it.

Lefkada, is the only island that connected to the land with a bridge and can be reached by car and enjoy the conditions of an island without sailing.

It can be reached day and night, summer and winter without ferries or delays all year round. In addition, the construction and operating costs are more convenient than any other island because of the ease of transportation.

The “7 islands” archipelago: “Lefkada”, “Meganisi”, “Kalamos”, “Kastos”, “Madouri”, “Scorpios”, “Thahila”, “Ithaca”, “Cephalonia” are the islands that considered to the most luxury islands in Greece. The Rotchild family bought 150 Acres to build a resort village with Golf courses on Meganissi island. “Scorpios” island, was privately owned by Onassis, owner of Greece’s largest yacht fleet, was sold to a Russian oligarch who received building permits from the country to build 100 luxury villas holiday resort . In addition, the vacation house of former Greece Prime Minister Papandreou, is in Lefkada.

Purchase properties from local residence, and not from external citizens. This allows real crisis prices, compered to other islands.

# LEFKADA | DIRECTIONS

- Near the island, in about 20 minutes driving, is Preveza airport, with direct flights from all Europe (Germany, Holland, England, Czech, Italy, Austria, Israel etc.) .

- 3 hours driving from Athens airport, which active all year round. With a new highway that ends this year after 6 years of constructions, 4 hours driving from Thessaloniki, Close to the major islands of Corfu, major tourist sites as Zagoria, Metzobo, Parga, Sivota, Ioanina and the Hanging Monasteries in Meteora.
- Easy access for center, north and east Europe.
- Regular traffic of ferries to nearby islands- Meganissi, Ithaca and Cephalonia, Corfu etc.

# LEFKADA | DIRECTIONS

The presence of the island is in the Ionian Sea, as well as the multitude of natural bays that are perfect for anchorage, the quiet waters of the eastern beaches and the wind that rises in the southern part of the island in the afternoon, make it one of the world's most famous sailing routes.

In Lefkada you can find excellent wind conditions for windsurfing and kite enthusiasts. "Vassiliki" bay and "Milos" beach are considered ones of to the best beaches in the world. You can also find any kind of activities and attractions such as: mountain biking, diving and snorkeling, climbing, omega etc.

The island surface area is 356 km and provides the tourist a perfect experience. The world's most beautiful sea and beaches, breathtaking views, authentic taverns, organic local food, fresh and clean air, forests and green olive trees.

# LEFKADA ISLAND
